

ACRONYMS

AAQ	Ambient Air Quality
BOD	Biochemical Oxygen Demand
CEMP	Construction Environmental Management Plan
COD	Chemical Oxygen Demand
CRZ	Coastal Regulatory Zone
EAC	Expert Appraisal Committee
EIA	Environmental Impact Assessment
EMF	Electromagnetic Field
EMMP	Environmental Management and Monitoring Plan
EMP	Environmental Management Plan
ESAs	Environmental Sensitive Areas
NAFDAC	National Agency for Food and Drug Administration Control
NO _x	Nitrogen Oxide
pH	Hydrogen Ion Concentration
SEAC	State Level Appraisal Committee
SO ₂	Sulphurdioxide
STP	Sewage Treatment Plant
TDS	Total Dissolved Solid
ToR	Terms of Reference
TSP	Total Suspended Particles
TSS	Total Suspended Solids
VECs	Valued Environmental Component

GLOSSARY OF TERMS

Act: An order by executive authority of a government having the force of law

Attenuation: Way of canceling or reducing noise

Beverages: Are liquids other than water specifically prepared for human consumption

Brewery: The industry that produces beer

Consultation: An integral part of the **EIA** process that make provision for some type of public involvement
