Disclosure of EIA Documents for SABER Program

The Presidential Enabling Business Environment Council (PEBEC) Secretariat, Federal Ministry of Finance, Budget and National Planning, and the Nigeria Governors' Forum (NGF) in consultation with the States and support from the World Bank have designed a 3-year performance-based intervention program called the **State Action on Business Enabling Reforms (SABER)**, to incentivize and strengthen the implementation of business enabling reforms across Nigerian States and FCT.

2. The Federal Ministry of Finance, Budget and National Planning requests the disclosure of the following Environment Impact Assessment documents of the program on the website of the Federal Ministry of Environment and National Newspaper.

- A. Environmental and Social System Assessment (ESSA)
- B. The Environmental and Social Commitment Plan (ESCP)
- C. Stakeholder Engagement Plan (SEP)

3. Kindly treat as urgent and avail us of the weblink when the exercise is completed.

4. Please accept the assurance of my warm regards.

Stephen A. Okon

Director, Home Finance
