

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP)

Federal Republic of Nigeria

**Preparation Grant for Sustainable Agricultural Value-Chains for
Growth Project (AGROW, P510848)**

Appraisal/For Negotiation Version

September 12, 2025

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Federal Republic of Nigeria (the Recipient) is planning to implement certain activities (the Activities) for the preparation of the proposed Sustainable Agricultural Value-Chains for Growth Project (AGROW) in Nigeria (the Project) with the involvement of the Federal Ministry of Agriculture and Food Security (FMAFS), for which it has requested a preparation grant, as set out in the Letter Agreement ("Agreement"). The International Development Association (hereinafter the Association), has agreed to provide the grant to finance the Activities, as set out in the referred Agreement.
2. The Recipient shall ensure that the Activities are carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred Agreement.
3. Without limitation to the foregoing, ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, their respective timeframes; institutional, staffing, training, monitoring and reporting arrangements; and grievance management. The ESCP also sets out the environmental and social (E&S) documents that shall be prepared or updated, consulted, disclosed and implemented for the Activities, consistent with the ESSs, in form and substance acceptable to the Association. Said E&S documents may be revised from time to time with prior written agreement by the Association. As provided for under the referred Agreement, the Recipient shall ensure that there are sufficient funds available to cover the costs of implementing the ESCP.
4. As agreed by the Association and the Recipient, this ESCP will be revised from time to time if necessary, during the implementation of the Activities, to reflect adaptive management of changes and unforeseen circumstances related to the Activities or in response to assessment of performance of the Activities. In such circumstances, the Association and the Recipient agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Recipient's Representative specified in the Agreement or the Minister of the Federal Ministry of Agriculture and Food Security (FMAFS). The Recipient shall promptly disclose the updated ESCP.

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
IMPLEMENTATION ARRANGEMENTS			
A.	ORGANIZATIONAL STRUCTURE a. Maintain throughout Grant implementation a Project Coordination Unit (AGROW FPCU) with qualified staff and resources to support management of environmental, social, health and safety risks and impacts of the Activities, including at least one (1) Environmental Specialist and one (1) Social Specialist under the Planning and Policy Coordination Department of the FMAFS to manage E&S risks. Establishment of project implementation structures at the state levels This will include Project Implementation Units (PIUs) in all the states that will participate in the project. The support will include hiring of relevant staff, basic goods and services as well as equipment needed for the PIUs to be functional.		AGROW FPCU
B	CAPACITY BUILDING PLAN/MEASURES - Conduct training for AGROW FPCU and State PIU staff on ESF requirements and relevant instruments. - Strengthen institutional capacity for environmental and social risk management.	Three months after the Effective Date of the Agreement and throughout the implementation of the Activities.	AGROW FPCU

MONITORING AND REPORTING			
MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
C	REGULAR REPORTING Prepare and submit to the Association monitoring reports on the environmental and social (E&S) performance of the Activities, including but not limited to the implementation of the ESCP, status of E&S instruments under preparation, stakeholder engagement activities, log and status of any complaints received. These reports shall include • Status of preparation and implementation of E&S documents required under the ESCP including the ESMF, IPMP, RPF, SEP and LMP. • Establishment of a functioning of the grievance mechanism(s) (the status of any complaints received). • E&S performance of contractors and subcontractors as reported through Quarterly contractors' and supervision firms' reports. • Number and status of resolution of incidents and accidents reported under action D below.	Submit quarterly reports to the Association throughout the implementation of the Activities, commencing after the Effective Date of the Agreement. Submit each report to the Association, no later than ten (10) days after the end of each reporting period.	AGROW FPCU

D	INCIDENTS AND ACCIDENTS Notify the Association of any incident or accident relating to the Activities which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, including those resulting in death or significant injury to workers or the public; acts of violence, discrimination or protest; unforeseen impacts to cultural heritage or biodiversity resources; pollution of the environment; dam failure; forced or child labor; displacement without due process (forced eviction); allegations of sexual exploitation or abuse (SEA), or sexual harassment (SH); or disease outbreaks. Provide available details of the incident or accident to the Association upon request. Arrange for an appropriate review of the incident or accident to establish its immediate, underlying and root causes. Prepare, agree with the Association, and implement a Corrective Action Plan that sets out the measures and actions to be taken to address the incident or accident and prevent its recurrence.	Notify the Association no later than 48 hours after learning of the incident or accident. Provide available details upon request. Provide review report and Corrective Action Plan to the Association no later than 10 days following the submission of the initial notice, unless a different timeframe is agreed to in writing by the Association.
